

Bobby & Whitney: The Other Court No-Shows

The chance to get a shot of Bobby Brown and Whitney Houston in court together fell by the wayside today when neither party showed up!

Whitney's attorney, Stephen Kolodny, said the diva didn't make it to court today because she was sick -- aka "pulling a Britney."

Bobby didn't show- which is no big surprise as his attorney Stacy Phillips washed her hands of the singer last month, withdrawing from his case. Go it alone Bobby Brown!
